Dear Community Foundation Friends and Patrons:

"A society grows great when old men plant trees in whose shade they shall never sit." — Greek Proverb.

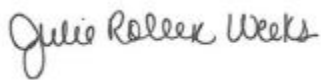

In the spirit of this timeless wisdom, we find inspiration in the actions of our donors. Your generosity goes beyond immediate impact, as it plants the seeds of lasting change in Kansas communities. Your donations become a beacon of hope that will endure for generations to come.

Within this report, you will witness the incredible progress facilitated by the Kansas Rural Communities Foundation through donors and community leaders. Together, we embark on remarkable community projects that showcase the power of unity and collaboration. On behalf of the Board of Directors, we are immensely proud to be part of your collective success.

Although our team may be small, our dedication knows no bounds. The KRCF board of directors is resolute in its commitment to fostering positive growth and transformative change in Kansas communities. Whether it's establishing scholarships for aspiring leaders, constructing vibrant community playgrounds, aiding families in need, preserving our rich history, or orchestrating memorable community events, each fund holds its unique significance and profoundly impacts the lives of its beneficiaries.

We extend our deepest gratitude for entrusting the Kansas Rural Communities Foundation with your invaluable funds and donations. Your unwavering support enables us to champion the prosperity of rural Kansas communities, transforming them into extraordinary places to live, visit, and work. Serving you is an absolute honor, and we look forward to continuing this incredible journey together.

With heartfelt appreciation,
